Conference Goals:

- Students will learn what employers are looking for in a prospective employee, what skills or education they will need, and how to be successful in that field.
- Entrepreneurial students will be able to present their ideas to business leaders for feedback and advice.
- Students will have access to people in various careers to foster interest or gain insight into a field they may already be considering.
- Interested students will learn about internship and apprenticeship opportunities with various businesses.
- Attendees will learn how to live a healthy, well-balanced lifestyle: the key to success in all areas of life!

Who Should Attend:

- Students in grades 7-12
- Parents
- Indian education committee members
- K-12 teachers, principals, district superintendents and administrators
- Employers and workforce program staff
- Tribal leaders and tribal education directors
- State legislators
