**Dr. Sherry Johnson and Bonnie Haines**

Why Indigenous Literatures Matter

Stories and literature used in schools can directly or implicitly strengthen, hurt or even challenge Native children's sense of who they are. This presentation will explore why Indigenous literatures matter and how you can use indigenous literature to connect and broaden student thinking. You will be challenged to rethink your assumptions regarding Indigenous literature.

Salon C

**Dr. Sandra Fox**

Challenging Curriculum and Appropriate Instruction: Sandra will explain what the terms "challenging curriculum and appropriate instruction" mean in the current environment and especially in regard to Native students. Examples will be given.
